CH

As you approach the circular driveway of Cropley House, its wisteria covered verandah overlooks the formal rose garden, where you will enjoy pre-dinner drinks and canapés.

A majestic staircase leads you to the first floor balcony for photo opportunities with east facing panoramic views.

Cropley House features uniquely decorated function rooms, the Victoria and the Elizabeth rooms. Both are located on the ground floor featuring bridal rooms, direct access to the verandah and have been independently decorated to retain the heritage feel and grandeur.

Located on the top floor are the View Rooms (I & II) and Cropley Rooms (I & II). Both top floor rooms are independently situated with pre function areas and delightful views overlooking the grounds of Cropley House.

Choose between our indoor or outdoor areas to host your wedding ceremony. Your guests can then enjoy drinks and canapés while you and your Bridal Party explore our beautiful grounds with many different photographic opportunities.
